

SPECIALISED MEDICAL FACILITY CLEANING

CLEAN 2 CLEAN

PROFESSIONAL
CLEANING
SERVICE

Maintaining pristine cleanliness in today's healthcare environment concerns patient safety and regulatory compliance. Clean2Clean's healthcare-specific cleaning protocols address medical facilities' unique challenges, from exam room sanitisation to proper medical waste disposal.

TAILORED CLEANING PACKAGES FOR MEDICAL FACILITIES

Essential Clean Package (2 Days/Week)

Designed for smaller clinics with moderate foot traffic that need consistent maintenance.

Our professional cleaning team visits twice weekly (evenings or weekends) to thoroughly clean exam rooms, restrooms, waiting areas, and hallways. Services include waste removal, medical waste disposal, and restocking hand sanitisers, soap, and paper towels. Enjoy managerial support during business hours and monthly quality audits with detailed reports.
